Our COMMON SENSE “Final Solution” To the INVASION!

A U.S. Government Public Declaration:

Illegal aliens who have not left the country within one year will have ALL THEIR ASSETS SEIZED...in addition to being deported...and banned for life on penalty of immediate imprisonment!

We need PATRIOTS to replace the “mainstream politicians” who have been bought off by special interest groups.

DEMAND from any political candidate a PUBLIC ENDORSEMENT of this solution as condition for your vote.

This is the first step toward the SECOND American Revolution!
